GO YOUR OWN WAY.

Good ideas deserve to become reality. And with the extensive range of Original MINI accessories for the MINI Clubman, you can give free rein to your creativity. Distinctive alloy wheels, classic roof designs, even mirror caps – they're all here. All you have to do is find your perfect combination.

1 Interior surfaces in Checkered Flag design and leather trims in Hot Chocolate

A genuine motorsport ambience: interior surfaces for the dashboard in the Checkered Flag design, combined with a leather-covered steering wheel, gear lever knob and gaiter in Hot Chocolate. Where fitted, the selector lever grip and gaiter are also available in Hot Chocolate.

2 Bezels, illuminated

Illuminated bezels for the drinks holders and gear lever knob ensure a classic MINI feel to the interior after dark.

3 Centre armrest

A comfortable armrest in an exclusive MINI design for driver and front passenger. Contains a large storage compartment, with special slots for coins and credit cards.

4 Portable navigation system

Thanks to its GPS receiver and touch-screen interface, the MINI Portable navigation system can direct you safely to destinations anywhere in Europe, using a combination of two and three-dimensional on-screen maps and voice directions. Includes an MP3 player and an SD memory card slot.

5 iPod interface

Connect your iPod up to the interface and enjoy all your favourite tracks through the MINI's sound system. Operated via the MINI joystick, MINI radio or multifunction steering wheel. The iPod stays safely out of sight, either in a storage compartment in the dashboard or in the glovebox.

CREATIVE USE OF SPACE.

Turn your MINI Clubman into your own personal space, with a wealth of accessories designed to let you tailor it to your own personality. Everything, from motorsport-inspired surface finishes to iPod sound systems, has one

FREE-DIMENSIONAL.

The accessories for the MINI Clubman are designed to let you express yourself to the max. Wherever you're going, you'll want them along for the ride.

1+2 Roof rack base support system and roof box

Made of high-strength aluminium tubing, the support arms of the roof rack base support system are corrosion-proof and particularly sturdy. They are suitable for a maximum roof load of 75 kg. The useful width is approx. 900 mm. They are designed to accommodate the roof box with central locking, which features a black lower tray and a silver metallic upper tray. Size (L x W x H): 1,900 x 630 x 360 mm. Capacity approx. 350 l, weight approx. 16 kg.

3 Touring cycle holder, lockable

A sturdy attachment for transporting bicycles with a frame diameter of up to 80 mm.

4 Surfboard holder

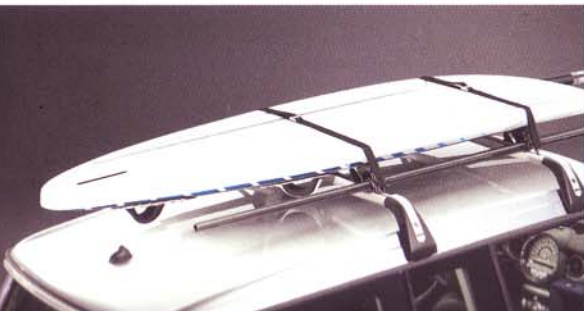

This holder features support surfaces in impact-resistant plastic, an integrated mast bracket, strap eyelets and retaining straps.

5 Ski and snowboard set

Accommodates two snowboards and two pairs of skis, or up to six pairs of skis. Poles can also be carried.

6 Trim for the loading sill

The trim for the loading sill is a visually striking addition, and features Clubman lettering with either a Checkered Flag or a Union Jack design. Available in illuminated and unilluminated versions.

KEEP IT WILD.
