

MINI MOTORING ACCESSORY BULLETIN

BLUETOOTH HANDS-FREE KIT WITH USB/AUDIO INTERFACE (6ND RETROFIT KIT).

AVAILABLE FOR R55, R56 BUILT AFTER 03/2007 AND R57.

MINI is pleased to announce that the retrofit kit for Bluetooth/USB (option 6ND) is available for the MINI Clubman (R55), the MINI Hardtop (R56 - built after 03/2007) and the MINI Convertible (R57).

Product description

The retrofit kit enables customers to connect all manner of mobile devices to their MINI. They can make mobile phone thanks to the high-quality Bluetooth hands-free kit and enjoy music from an Apple iPod/iPhone™, MP3player, USB stick or USB-enabled mobile phone via the car's music system.

Basic functions

The operation is possible via the multi-function steering wheel, the MINI joystick or the radio control. All information is shown in the radio display or on-board monitor. The USB devices, including USB-enabled telephones, can be charged via the USB interface.

Functions of the hands-free kit

- Voice output via the car's loudspeakers
- Control via voice commands (only with multifunction steering wheel)
- Telephone book display and selection, top 8 list and last numbers called
- Wireless connection of the mobile phone to the car via Bluetooth
- Usage of the telephone's own aerial
- Storage of the telephone in an storage tray or in a jacket pocket
- Up to four mobile phones can be connected

Functions of the USB/audio interface

- Playback of MP3, WMA and WAV files
- Access via playlists and search for music genre, artist, album or title
- Track repeat, shuffle, fast forward/rewind
- Connection via USB / audio socket
- USB devices with a total of 20,000 tracks can be managed

Sales features/benefits

- Unlike products from third parties, the operation, display and sound output are integrated perfectly into the car's existing on-board systems.
- The new vehicle limited warranty is retained. The Bluetooth Kit is a genuine MINI part covered by the two-year / unlimited mile MINI Parts and Accessory Warranty if installed by an authorized MINI dealer. In addition, it will be covered for the remainder of the MINI new vehicle limited warranty, whichever is greater.

Supplied package

- Control module mount (control module must be ordered separately)
- Bluetooth aerial, Microphone (R55, R56), USB/audio socket
- Cable set and various small parts

Note:

- Snap-in adapters cannot be used with the hands-free kit.
- Overviews of the tested devices are available at <http://www.miniusa.com/bluetooth>
